## Community plans

Barton Stacey has a **Village Design Statement** which was adopted by Test Valley Borough Council in June 2016 as Supplementary Planning Guidance. The design statement provides a description of the natural and man-made features of the village of Barton Stacey that are regarded by the members of the community as particularly distinctive. The document provides a guide to ensure that future development and change is managed to respect and preserve the character and distinctiveness of the village. It should thus contribute positively to protecting and enhancing the special nature and qualities of the community that is Barton Stacey today.

This document is available on the Council's website at the following page:

<http://bit.ly/2eAp1P9>

Barton Stacey also has a **Parish Plan**, which is a document that sets out what is important to the local community. It was published in 2007, and covers a wide range of issues including social, economic and environmental issues, and can be found online at: <http://bit.ly/2en8oJ4>

Details of any community planning exercises your parish is undertaking can be added here. Please get in touch with the Policy Team at the email address below and we will be more than happy to add information at your request.

## **Additional information**

The information in this profile has been prepared by Test Valley Borough Council's Policy Team in partnership with the Local Government Association. If you would like further information, please contact the Policy Team on 01264 368000 or [policyteam@testvalley.gov.uk](mailto:policyteam@testvalley.gov.uk), and we will be happy to work with you to provide a more detailed profile.

This profile contains key information for you to use to contribute to the development of a Neighbourhood Plan or other community project. If you know of any additional information about the parish that may be of use (for example, information on local facilities) please get in touch and we will endeavor to work with you to add to or change the profile.

Please note that most of the data featured in this profile is taken from the 2011 Census, whilst the population data is taken from Hampshire County Council's 2016 Small Area Population Forecast. Therefore, there is some discrepancy in population figures.
