

Run a Recycling Centre

Find out what happens to recycling once it has been collected and have a go at sorting items with our mini Materials Recovery Facility (MRF)

Recycling Stars Assembly

Spread the recycling message to the whole school with our interactive assembly

Take the Compost Challenge

Find out how compost is created and the ingredients needed for a happy composter.

Would you like to set up your own composter? Contact our team for advice on composting in school.

Visit a Local Recycling Centre

Walk to the nearest local recycling centre and see how everyone can recycle

Litter Picking

Learn why littering can harm the environment and see how much litter is dropped around your school.

Recycling BINGO!

Test your recycling knowledge with a quick fire game of Bingo!

Waste and Recycling History

Download our waste and recycling timeline to find out more about the origins of waste and recycling.

After School Roadshow

Share information about recycling with parents with our playground pop up information stand

Recycling Stars Educational Activities

What am I made from?

Get hands on with our recycled items and see if you can tell what they used to be.

Paper Making

Download our paper making resource sheet and borrow our paper making loan kit.

Waste Audit

See how much waste your school is making and see how you can waste less and recycle more.

Download our resource and recording sheets to run this activity with your school.

Recycled Crafts

Download our recycled craft resource sheets:

- ★ No Sew T-shirt Tote Bag (KS2 only)
- ★ Milk Bottle Elephants

Thinking of something bigger?

Whether you are looking to hold a day or a week of environmental activities, our team can help arrange whole school events on an environment theme.

Contact our team to find out more.
