Details of claim (see also overleaf)

1. The Claimants seeks an interim and final injunction pursuant to s.222 of the Local Government Act 1972 and/or s.187B of the Town and Country Planning Act with a power arrest attached to the appropriate provisions of the court order. The Claimants seeks to restrain the repeated breaches of directions to leave the land, served pursuant to sections 61 and 77 of the Criminal Justice and Public Order Act 1994 (CJPOA), breaches of planning control and trespass which is aggravated by environmental harm, risk to public health, damage to Land and anti-social behaviour.

2. The Claimants are local authorities and the administrative boundaries of the First Claimant are marked on the map attached to the Draft Order at Schedule 2. The Claimants seek an injunction to protect parts of the First Claimant's administrative area from further unauthorised encampments by the First to 90th Defendants, who have formed unauthorised encampments within the Borough, in particular within the area where the Claimants seeks the injunction. The limited area within the Borough that the Claimants seeks to protect by an injunction has suffered in total 67 of the 82 unauthorised encampments within the Borough over the last 2 ½ years as detailed in the evidence. These encampments have been formed on both private and public land including: public open space, the highways, village centres, business premises and residential areas.

Details of claim *(continued)*

3. The areas to be protected are within the administrative boundaries of Test Valley Borough Council and the injunction is sought as the Claimants have experienced significant and prolonged issues associated with unauthorised encampments within the First Claimant's administrative area, including: fly-tipping, anti-social behaviour and environmental and health risks associated with these encampments.

4. The encampments are having a detrimental impact on the community as a whole, local business and the enjoyment of public spaces.

5. Existing powers are being undermined and are ineffective, the law is being flouted repeatedly and the Claimants have experienced significant expense both in legal costs and clean-up costs. Service of directions to leave land by the Claimants or the Police pursuant to s.61 and section 77&78 of the CJPOA only leads to the encampments moving from one site to the next site and has not deterred the Defendants from forming encampments within the area marked in red on the map attached at Schedule 2.

6. For the reasons set out in the witness statements, it is necessary and expedient for the promotion and protection of the interests of the inhabitants of the First Claimant and to prevent apprehended breaches of planning control to seek an injunction to prevent the establishment of unauthorised encampments by named individuals and Persons Unknown forming unauthorised encampments within the Borough of Test Valley within the area marked in red on the attached map at Schedule 2 of the Draft Order.

7. It is also necessary to bring these proceedings against Persons Unknown forming unauthorised encampments within the Borough of Test Valley to deter unauthorised encampments within the area identified on the map in Schedule 2 of the draft Order. It is not possible to identify all of the individuals who have formed these unauthorised encampments, many of whom are not prepared to identify themselves.

AND the Claimants Claim:

- (i) An order in the terms set out in the draft Order attached to this Claim;
- (ii) Alternatively, an order in the terms that the Court thinks fit;
- (iii) Costs.
