Deprivation

The English Index of Multiple Deprivation 2019 is designed to identify areas where communities lack resources and are in need. To do this, seven factors are considered, which are:

- income deprivation
- employment deprivation
- education, skills, and training deprivation
- health deprivation and disability
- crime
- barriers to housing and services
- living environment deprivation.

Areas are scored on each of these factors and ranked nationally from least deprived to most deprived.

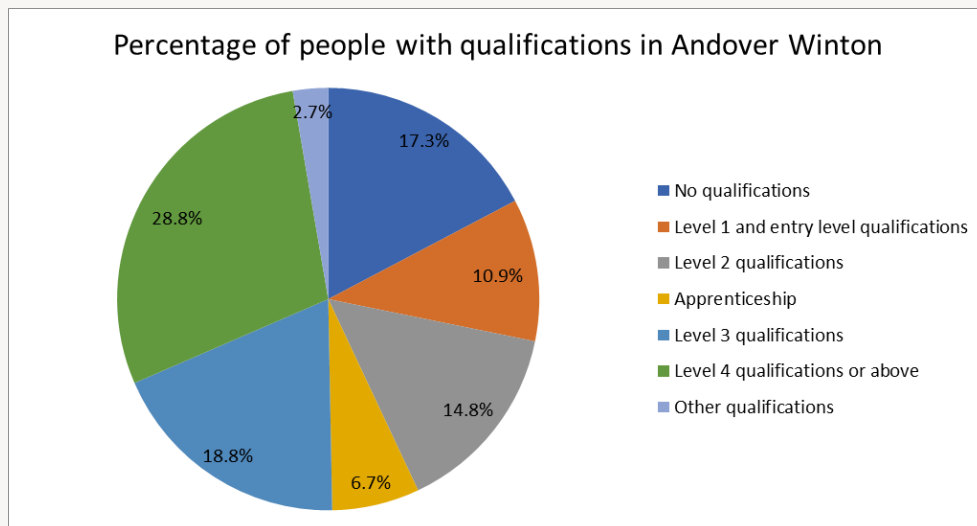

This map shows the deprivation scores for ward of Andover Winton against all areas in Test Valley. These are measured in Super Output Areas. The majority of Andover Winton falls within four LSOAs. Of these four, there are considerable differences regarding the indices of deprivation. Of 32,844 areas ranked across the country, areas of Andover Winton rank from 15,276th to 31,728th, this puts the ward in both the **50% of most deprived** areas in the country and the **10% of least deprived** areas in the country.

Despite the differences, there are some patterns, with the whole ward falling into the **40% most deprived** areas in regard to **geographical barriers** and the **70% least deprived** in regard to **income deprivation affecting children**.
