

## Across the South Coast of Hampshire

### What is Southern Entrepreneurs?

Southern Entrepreneurs is an Eastleigh Borough Council project to help small businesses across the South of Hampshire to start up and existing small businesses to grow and prosper.

FREE membership is limited to sole traders, franchises and small businesses based in the boroughs of Eastleigh, Test Valley, Winchester, Havant, Fareham and New Forest. We offer FREE training, or just Motivational and Networking opportunities if you prefer - our aim is to provide or sign post to the most suitable solution. Larger businesses are also welcome but we may make a small charge for some of our services.

Our business support manager will offer support and guidance along with motivational inspiration and will tailor the service to your individual needs. Regular networking opportunities and a newsletter are available and help is never more than a phone call or email away. If you require an in depth training needs analysis for you and your staff we can arrange this for you with a respected local agency (this may incur a small charge)

### What's In It For Me?

- Free Training for You and up to 10 staff (over 10 by negotiation)
- Motivation and Inspiration
- Help and Advice on a One to One basis
- Support and networking with Other Members Across Hampshire
- Access to Professional Advisors if required
- Confidentiality at all stages

### How Much Will It Cost?

The service is funded by Eastleigh Borough Council and is therefore **FREE** to small business members.

### How Do I Join?

Telephone Anne Dawson – Business Support Manager on 023 8065 2778
