

Good Morning Planning Policy Team

Further to the publication of the public consultation of the Local Plan 2040 Regulation 18 Stage 1 , I have received the below comment from one of my parish councillors at Smannell Parish Council, which is self-explanatory.

I would appreciate your comments.

Thanks and kind regards

Kevin

Hi Kevin,

I have taken a look at this and watched the video presentation - where does Smannel and Little London fall into the revised settlement history - we have a church, pub and a school and yet the village is not mentioned at all?

Thanks,
Beccs
