Local Plan 2040 Regulation 18 Stage 1

Q8

Comment 1:

5.13 Due to its close proximity to Grateley, the current boundary split should be revised to include Palestine within Grateley Parish. This would enable more strategic and joined up planning for these closely linked communities.

Local Plan 2040 Regulation 18 Stage 1

Q10

Comment 2:

5.16 Whilst the presence of a school can be a driver for new housing, in the case of Grateley the expansion of the Primary School would not be possible as the school site is very restricted. It would be unlikely that the school would be able to service an influx of new families in the area.

Q12

Comment 3:

4.14 Grateley only has a rail station, very limited bus service and a small primary school. The village does not have a shop or public house currently. The Tier 4 classification should be revised accordingly.
