Hi George,

Thanks for your email - map attached. At the moment the existing boundary (shown with blue dotted line), does not include all of our residential garden, and outbuildings including garage. It also arbitrarily cuts our garden in half.

We would propose redrawing the boundary to include the two areas marked in red, which would then include all of the residential property of Lower Farmhouse.

Many thanks  
Lynn Franklin

Hi,

I understand that the latest Local plan is being reviewed. I'd be grateful if the Inspector would consider extending the Village development boundary at Lower Farm Lane, Ampfield, [REDACTED]. At the moment the boundary stops at the gate between Lower Farmhouse and Boldbrook Lodge. This excludes a number of farm buildings further along Lower Farm Lane currently used as a riding stable. The boundary also cuts our garden in half.

We would request that the development boundary should be extended to include the farm buildings and barns along the whole length of Lower Farm Lane.

Regards  
Lynn Franklin
