Hello

I wish to object to the proposed future development at Velmore Farm for 1070 houses. My reasons are as follows:

1. The loss of valuable countryside and impact on nature and biodiversity locally.
2. The impact on local public services, already stretched, especially local health services in a time when it is difficult to recruit such staff.
3. The impact of additional traffic on what is already a very busy road and especially at peak times - Templars Way and the roundabout near ASDA.
4. Templars Way floods on a regular basis and an additional several thousand cars on this stretch of road will add to traffic problems during these times.
5. A breach of the Local Gap.

I do hope that this proposed development does not proceed and that the area can be retained as it currently is.

Liz Sibley
