Dear Sir/Madame,

As a resident in Valley Park, Test Valley, I write to oppose the proposal to develop agricultural land at Velmore Farm off Templars Way, Chandlers Ford.

I object for the following reasons:

- This will be a further erosion of the local (Strategic) gap
- This area can take no more traffic
- Local services can take no more influx of population in its current form
- The very thought of using farm land which could grow food for the human population, for housing when housing could be built on more brown field sites or land that has been banked by developers for future building and profit. This proposal is morally flawed.
