Good morning

Thank you for notification. My comments are;

1. To ask for confirmation that my SHELLA 24 application made in 2018 is still live.
2. We are a brownfield site and I read that the Gove changes to planning policy are to prioritize brownfield development. I hope this will assist my situation.
3. I note that the Chilworth Farm land abutting the Chilworth/Southampton Science Park is earmarked for further development of the Science Park.
4. My site is in close proximity to the Science Park and within easy walking or cycling access. It would be ideal for residential development for Science Park staff. I ask that this is noted and added to my SHELLA 24 submission.

Call for Sites

Alongside the public consultation on the draft Local Plan 2040, the Council is also issuing a 'Call for Sites' as part of the Strategic Housing and Economic Land Availability Assessment (SHELAA) and Green Land Availability Assessment (GLAA). There is more information, including the submission form and guidance note, available here: www.testvalley.gov.uk/localplan2040

The inclusion of a site in the SHELAA or GLAA does not imply that the Council would necessarily grant planning permission. There is no need to re-submit sites that have already been put forward, unless there is an update to the information already provided.

You can submit sites by filling in the submission form by either:

- **In writing** to Planning Policy and Economic Development, Test Valley Borough Council, Beech Hurst, Weyhill Road, Andover, Hampshire, SP10 3AJ
