### General

- I have the following comments to make in regards to draft local Plan:-
- \* it is difficult to access relevant local information
  - \* the event to involve community participation was lacking in creativity and diversity. Not enough stuff, no presentation, no welcome to new people, hard to understand posters etc.
  - \* whilst welcoming an increase in housing developments -
  - \* local facilities need to be developed, in particular, health services; no clinic in Abbat.wood, no G.P. where is the Health Visitor and Community Development Worker.
  - \* Travellers facilities seem minimal.
  - \* ? out reach services - e.g. C.A.B, libraries, welfare Advice, Food Banks etc etc.

For specific comments, please make it clear which paragraph, policy or matter your comments relate to where possible. Please use the box below.
