If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

I strongly disagree with the proposed plans to build on Velmore farmland. The local area of valley park around school lane and templars way is regularly flooded and congested at certain times with vehicles from the industrial estate.

Concreting over this green field site is irresponsible, as it will only increase the current problems of traffic and more flooding which are the moment test valley doesn't appear to be doing anything about .

No building at all on this farm land
