I cannot believe there is even consideration to build yet more houses in Chandlers Ford!!!!

The traffic is already far too heavy - the planning and implementation of Stoneham is apart from being a building abomination - ridiculous planning with one small road to and from the area which at peak times is horrendous.

To even consider building yet more houses is again ridiculous - yet more traffic through one small area.

Also we struggle to get doctor's appointments now - goodness only knows things will certainly get worse.

While I realise more housing may be needed Chandlers Ford has done its share to help the supposed crises.

We DO NOT WANT this build to go ahead. However the local council has probably already starting planning and won't take any notice of locals concerns - please let me be wrong.

I have lived here for over 30 years and seen our green space and wonderful areas dwindle - please DO NOT let any more green space be used - we do not want to end up like Milton Keynes!!

Also what about wildlife - we have so many animals, birds etc that rely on this space - surely they can't be relocated (another ridiculous idea which had been muted!!)

So come on council and planners - we residents DO NOT WANT this plan to go ahead - you work for us so you should LISTEN - ignore us at your peril - we will use our vote at the next election if you don't!!!
