Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

I would like to object to this proposal

The current infrastructure in place does not support this significant increase in housing

I am also concerned about the access to healthcare both locally and for the only Emergency Department in the close vicinity (Southampton General) with the impending closure of Winchester Emergency Department.

Building >1000 on this site is likely to lead to further local flooding and create significant traffic issues in the area
