I totally oppose the plan to build houses on Velmore Farm off Templars Way. This would have a huge impact on Valley Park residents. For example, up to 2000 more cars coming out into Templars Way and other local roads which would cause a big impact on traffic at peak times. We already struggle to get doctor's appointments without a long wait and there could potentially be an increase of at least 2000 patients. This area is a green space which would be lost and is a breach of a local gap. There is also more risk of flooding due to the clay throughout the land in this area.
