My wife and I (Elizabeth and Graham Turner) strongly object to the proposed development of land at Velmore Farm, off Templars Way.

Our objections are

- 1) Traffic - Up to 2000 more vehicles on Templars Way and other local roads, with a significant impact at peak times.
- 2) Local Health Services, doctors and dentists - the pressure from an increase of 2000 plus patients.
- 3) Flooding of local highways and land around Valley Park - there is already an issue of severe flooding which is happening more and more with climate change as there is a predominance of clay throughout the land in this area.
- 4) Loss of green space and biodiversity.
- 5) There are not enough schools in the area.
- 6) Breach of a local gap.
- 7) The area has already had a large development in the last few years by Eastleigh Borough Council on Stoneham Lane.
