Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

I object to the new Velmore Farm development on the basis of the overwhelming number of houses and with that, residents.

Chandlers Ford is a small area with a community feel and this housing estate will erode the immense feeling of peace living here brings.

In addition, the infrastructure will not be able to support such an influx of people. Schools have waiting lists to get in, the roads can barely cope with the existing level of traffic and Doctors have no room for more patients. Couple that with flooding, impact on wildlife and loss of more green open space, I urge the council to refuse this development.
