Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

I do not support this plan to build a further homes. There is already gridlock across Chandler's Ford during rush hours, peak school hours and during bad weather days. The roads are in serious need of repair from all this, let alone adding at least 1000 more cars (or more likely 2000 given most homes have 2 cars nowadays) to the it. There is also the added air pollution to the area and the air quality is already not great!

There is no infrastructure in place- schools and doctors are full; NHS dentists in the area are impossible to find. We have already had housing in the local area built at Knighthood/ Valley Park, Stoneham Lane, Chestnut Avenue and the old Pirelli site. We are saturated.

Surely we should be looking at preserving some open green spaces in the area, esp given the world exceeded the 1.5 degrees for the last year?
