Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

As all ready stated the small village of Chandlers Ford is already at satution point,
we have limited services available at the moment in the village Doctor practices
are already bad with a wait of over a month to get an appointment, worst with dentists
Also this would be a loss of a great green space area, providing walking and cycling areas
I believe this new planned development would have a very bad effect on the village
I do support this plan
