Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

Q8

Insert any specific comments in the general comments box below, indicating which paragraph, policy or matter your comments relate to where possible.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.

I don't agree with this proposal for a new development. Valley park is already over stretched as it is. This will put more traffic on the roads. Services are all ready over stretched at the key points such as the doctors and schools. This will just add to the demand. Let's also not forget the beautiful wildlife which lives around valley park in their natural habitat which will undoubtedly will be affected by this proposed development
