## Part B: Your Comments

Please use the boxes below to state your comments. This includes one box for general comments and another for specific comments related to an area of the Local Plan.

Insert any general comments you may have that do not relate to a specific paragraph number or policy in the general comments box below.

If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.

If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

### General

I understand the need for more housing in the area.

However the valley park area of Test Valley has seen a disproportionate number of developments in the past 15 years.

I strongly object to the Velmore Farm development being included in the local plan.

As a resident of the area for over 35 years I have seen a gradual degradation of the local environment.

If this development is included in the plan we will see further loss of the strategic gap between Chandlers Ford and North Baddesley .

In heavy rain we experience flooding on Templars way and surrounding area that will an only be exacerbated by more homes being permitted.

In rush hour we already have heavy gridlocked traffic on Templars way that can only get worse with new housing.

There are limited health services doctors and dentists that can only lead to increased problems for the residents.

If there has to be some housing on the Velmore farm estate then I would encourage TVBC to severely limit the number.

I also consider the valley park area is not suitable for further housing development and the council planners should look for smaller alternative developments for example on the fringes of Hampshire villages such as Stockbridge.
