I was dismayed to find out about the proposed development of over 1000 houses and an employment site at Velmore Farm.

The traffic on Templars Way and surrounding areas is already extremely bad particularly at rush hours. The introduction of so much more housing and cars will worsen the situation. Our local doctors and dentists services are already oversubscribed and we don't have capacity for all the extra local people this will bring.

Flooding is also already a regular issue and more building in the area will worsen this.
