Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. Am concerned that in an attempt to avoid the inevitable worsening traffic jams on Templars Way more traffic will choose to access Valley Park via Chilworth Road A27 and Misslebrook Road. Chilworth Road is already a high traffic, higher than necessary speed road with no designated crossing area along its whole length. There will be increased noise and congestion throughout all neighbouring areas.

The GP surgeries are already overwhelmed in the existing NHS crisis and am concerned that minimal provision is being made to address this.
