General
<p>Ref the land either side of Upton Lane.</p> <p>The local area is already very highly populated due to all the new developments that have been built and are still being built in Nursling & Rownhams. The road network, specifically Romsey Road, is already becoming heavily congested, especially at commuting times. Adding more houses and further development is not going to help this matter. Local Schools, Doctor's surgeries, Dentist and other infrastructure can not cope with the volume of residents and business' we already have in the area.</p> <p>There comes a point when you have to say enough is enough. And, if your response is that this is what is dictated to you by parliament, then maybe its time you started to stand up for us and say that the area is already at capacity and all we are going to achieve is destroying what green spaces we have left. The environment is suffering.</p>

For specific comments, please make it clear which paragraph, policy or matter your comments relate to where possible. Please use the box below.

If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.
