General

I am interested in Bere Hill, North Test Valley. 1400 homes are being proposed with access possibly from the Picket Twenty roundabout off the A3093.

This single point of access, for a housing development of this size, would seem to be inadequate.

my concern is that old Winton Road, already a congested road, maybe considered as an alternative access to the other end of the development, by the track to Bere Hill Farm. This should only be considered as access for emergency vehicles only.

For specific comments, please make it clear which paragraph, policy or matter your comments relate to where possible. Please use the box below.

If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.
