Subject: Objection to proposed development of Velmore Farm

We wish to object to the proposed development of Velmore Farm.

The proposed development is in the local gap between Chilworth and Chandler's Ford. It is completely unacceptable to destroy our countryside in this way.

This development would cause significant damage to wildlife in the area.

The area already suffers from significant traffic congestion and this development will add to traffic congestion hugely. Hence safety in the area is clearly a concern.

The infrastructure in the area is already under significant strain. Doctors' surgeries, schools etc are already full and cannot take any extra capacity.

We object strongly to this proposed development.

Dr Alison Shaw
