I am writing about the Local Plan.

I am keen to see the identity of Abbots Ann maintained where I live and so the continuation of the local gap designation is very important. We have a natural boundary of the railway line and A303 but there have been planning applications submitted over the years submitted for example at Little Park and this would be encroach on the village and the boundaries of Andover would encroach onto Abbots Ann.

Test Valley should be proud of the many beautiful villages and try to keep them
