General
<p>As a thriving village organisation that has been at the centre of the community for over 20 years we are strongly in favour of the Draft Local Plan maintaining the Strategic Gap between Andover and Abbots Ann.</p> <p>Many people who live in this village or who visit our community shop do so because of the strong rural and parish identity that is so essential to our way of life here.</p> <p>Our shop could not compete with supermarkets that are not so very far away in Andover and that would no doubt advance much nearer with an urban sprawl that would undoubtedly occur if the precious agricultural land gap was not as it is now.</p> <p>Rural village communities epitomise the essential character of Test Valley, and Abbots Ann is just one of many.</p> <p>We should all do our utmost to protect the beautiful and iconic nature of these great places to live and visit.</p> <p>We are very grateful for the support that Test Valley Borough Council has given us since our inception and trust that this will continue through this planning process.</p>

For specific comments, please make it clear which paragraph, policy or matter your comments relate to where possible. Please use the box below.
