

Test Valley Borough Council Consultation for Local Plan 2040 Regulation 18 Stage 2

COMMENTS FORM

Test Valley Borough Council has published its Local Plan 2040 Regulation 18 Stage 2 document for public consultation. This consultation document sets out a vision for Test Valley up to 2040, objectives for achieving this vision, our development needs alongside allocations for residential and employment development and theme-based policies.

The consultation period runs from Tuesday 6th February to noon on Tuesday 2nd April 2024. Please respond before the close of the consultation period so that your comments may be taken into account.

You can respond to our consultation by filling out the form below. This form has two parts:

Part A: Your Details

Part B: Your Comments (please fill in a separate sheet for each comment you wish to make)

Further information can be found on our website at: www.testvalley.gov.uk/localplan2040

Once the form has been completed, please send to planningpolicy@testvalley.gov.uk below by **noon on Tuesday 2nd April 2024**.

Following receipt of your comments from, we will keep you informed of future consultation stages unless you advise us that you want to opt out of such communication.

If you are unable to send via email, please send a postal copy to our address below.

Personal Details and General Data Protection Regulation

Please note that representations cannot be treated as confidential. If you are responding as an individual, rather than as an organisation, we will not publish your contact details (email/ postal address and telephone number) or signatures online, however the original representations will be available for public viewing at our offices by prior appointment.

All representations and related documents will be held by the Council until the Local Plan 2040 is adopted and the Judicial Review period has closed and will then be securely destroyed.

The Council respects your privacy and is committed to protecting your personal data. Further details on the General Data Protection Regulation and Privacy Notices are available on our website here: <http://www.testvalley.gov.uk/aboutyourcouncil/accesstoinformation/gdpr>

Part B: Your Comments

Please use the boxes below to state your comments. This includes one box for general comments and another for specific comments related to an area of the Local Plan.

Insert any general comments you may have that do not relate to a specific paragraph number or policy in the general comments box below.

If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.

If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

General

This is in relation to the development of southern Test Valley Nursling proposal Local plan 2024

I have real concerns for this development due to the destruction of a green field site and the development of a woodland that houses bluebells and various other important wide life. This should be preserved

We have already lost a lot of trees along Romsey road when the motor way was built. I feel very distressed that more trees and green field sites will be lost, with a again a huge impact on wide life.

Also the field that you propose to build on contains electric two pylons, which is not suitable for houses to be built on within such close proximity these pylons.

The sale of these properties will be a concern to any potential buyers living under these.

There is a huge health risk if these plans go ahead . Its is found that children living in homes as far away as 600m are at a higher risk for leukaemia, and other major health risks to anyone living near these.

I live opposite this site and I'm very concerned about the noise and traffic and light pollution, that will be created.

Nursling and Rownhams has had such a large development in recent years, and the traffic and damage to our area is very concerning.

I believe that industrial units will be built within this proposal, this is also going to create more heavy lorries and coming into Nursling.

Just travelling around Southampton, you can see several industrial units empty, and to build more is completely unjustified

This will also have a detrimental effect on the value of all the existing properties close to this development.

Yours sincerely

Mrs S J Atkins

For specific comments, please make it clear which paragraph, policy or matter your comments relate to where possible. Please use the box below.

If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.
