General
<p>Re the proposed 340 homes south of Ganger Farm :</p> <p>In principle I am not opposed to this development however I already raised at the meeting held by Barratt Homes that the proposed access to this site namely via Scorey's Crescent was unfeasible and for the residents of Scorey's Crescent and Ganger Farm Way a potential nightmare. Having moved from London, my analogy was and is "Piccadilly Circus".</p> <p>There is already significant congestion along Ganger Farm Way, from Jermyn's Lane, particularly at the weekend, from the users of the sports complex in addition to the residents. Cars are regularly parked along the roadside since the car parks, main and overflow, cannot accommodate all the cars. If the plan is for 340 new homes, then there will probably be as a minimum an additional 340 cars needing access.</p> <p>My solution is to use Ganger Farm Lane / Road that leads to Braishfield Road as the main access to the new development. I have seen from the planning that this route is intended to be a cycle path only.</p>

For specific comments, please make it clear which paragraph, policy or matter your comments relate to where possible. Please use the box below.
