Upton Lane, Nursling Housing & Employment Developments

As residents of Upton Lane we are strongly opposed to the proposed housing development which would have a detrimental affect on both the value and privacy of our home, which is the only property that adjoins the proposed site. Both this and the proposed Employment development would create a vast increase in traffic onto Upton Lane which, at the top end (nearest Romsey Rd) has no footpaths and is regularly used by both dog walkers and horse & riders from stables further down the lane. Any increase in cars, and in particular lorries into Upton Lane would create a safety risk and have a major affect on those properties close by. We wish to be kept informed of all future developments to this plan but will continue to oppose these particular developments.
