Dear sir/madam

Objections of 'Land at King Edwards Park, Chandlers Ford for 44 extra care units'

We went to planning meeting many years ago to see original plans & did not object too as we were assured the meadow would never be built on as it is part of green belt & a wild life corridor linking Trodds Copse to upper Flexford nature reserve through the back of St. James mobile home park.

We cannot understand how come the original development is so different from original plans.

Many thanks

Anita Rowe
