Dear Test Valley Council

I have been living in Test Valley, in particular Knightwood Park, for more a decade (such a lovely area to live in).

However I have concerns about the prospect of extending this already large residential area and what impact it would have on local services e.g. schools, health care, transport.

Therefore, I am deeply opposed to the draft Local Plan 2040, which includes building 1070 homes on Velmore Farm.

Thank you in advance for considering opinions of local residents.

Best wishes

Sonja Rakic
