Q1

Title Mr/Mrs/Miss/Ms/Dr/Other(please state)*

Mrs

Q2

First Name*

Jenny

Q3

Surname*

Olivey

Q4

Respondent skipped this question

Organisation*(If responding on behalf of an organisation)

Q5

Email address *

[REDACTED]

Q6

Postal address*

N/a

Q7

Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

The Local Plan in relation to the Velmore Farm proposed development does not sufficiently address:

Traffic. Traffic is already high in that area and adding 2k + cars into the mix and just one entrance/ exit off the roundabout would create a huge bottle neck. The area is used as a diversion route for M27/ M3 traffic. Fumes from all these additional cars will also have a detrimental effect.

Flooding is already an issue around this area. Future proofing this has not been addressed in the plan.

The loss of green open space is to the detriment of local wildlife such as deer, rabbits, foxes, bugs and birds and local residents. Green open space and the environment has been highlighted as a priority for Test Valley.

An additional 2,500+ people will put a huge strain on the local health service that is already stretched.

Is there evidence of the need for additional business premises?

Q8
