Dear council members,

I am writing to complain about the Lower Velmore Farm development. As an eleven year old whose house overlooks Velmore Farm, I personally think that building 1,070 houses on the fields is not a good idea for Chandler's Ford. There are many reasons why I believe that it should not go ahead. I am going to list some of these reasons below:

- There would be no space for the deer and cows (which my family and I keep on seeing) to live. Where will they go?
- The increased traffic. Already, especially at rush hour, the traffic can be a nightmare! It can only get worse and will not benefit anyone. We need to solve this problem, not make it worse!
- Think of the pollution. It is expensive to buy environmentally friendly products, like wind turbines and solar panels and so I do not think that many people will buy them. We must not make our area, or our planet, any more polluted.

Thank you for reading this letter.
