Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

I would encourage Test Valley to maintain the existing settlement boundaries around the Fishlake Meadows nature reserve, as it is a place of remarkable natural beauty and interest.

I am concerned about possible overdevelopment in this area, particularly around the northern area of this site (the horse field, the northern end of Oxlease Meadows).

The area is used regularly- we see a constant stream of visitors coming to the area (as shown by the well-used car park) to enjoy the wildlife, woods and canal. I'm concerned that any future development plans in this area would harm this important local attraction.
