Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. I am completely against the development of the land. Valley Park is a quiet area where people live to enjoy their surroundings including the parks, fresh air, and woods. The development will cause more traffic, strain on local services such schools & NHS services. Most probably resulting in people's wellbeing affected in a negative way. Please do not develop on this land. Thank you.
