Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

I am commenting on the proposed use of the land south of Scoreys Crescent on Ganger Farm, this is not a brownfield site and the access for vehicles is unsuitable for such significant increases in traffic. The sports facilities on Ganger Farm already cause obstruction and danger to pedestrians increasing the use of this road will be irresponsible and inappropriate. The proposed use of access via Scoreys crescent which is a private road is also inappropriate and the residents are liable to the upkeep of this road. This field needs to remain as a greenfield site and place for wildlife and I fully object to the proposed development.
