## Q7

Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.\*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

To whom it may concern,

I am writing this response on behalf of the Awbridge Neighbourhood Development Plan Committee.

Awbridge is a small village and we have already had allot of development in recent years and have increased the number of houses available to buy on the open market.

However, on the proviso that the allocation of 10 additional houses/dwellings is on a fair share basis across all parishes we would (Awbridge), in principle, be aligned and accepting of this allocation till the end of 2040. Please note: that we would not be accepting of any number above this, given the size of our village it simply would not be feasible.

Many thanks  
Charlotte
