The fields of ganger farm, south of Kings chase should not be developed as there is no suitable access point for this development. The idea of bringing hundreds of tons of construction traffic and material through a thriving, busy domestic area is ridiculous. The main road of Kings Chase - Ganger farm way - already really struggles with the current traffic that uses it especially when the sports pavilion is busy - mainly at the weekends. The road of Scoreys Crescent is a quiet residential street where children often play out on the street. The thought of this turning into a main road for another development is appalling. The traffic, pollution, the risk to the health and lives of the residents is completely unacceptable. I have discussed this with several of my neighbours and we all oppose the development of King Chase South in the strongest possible way! This must not be allowed to happen.

Remove/do not allow Kings Chase South to go ahead. No further building on the land of Ganger Farm.
