General
<p>Please note, the comments below are my own and do not represent those of Wiltshire Council as the local unitary authority.</p> <p>As the local Wiltshire Councillor, I have been copied into various submissions from Ludgershall residents and the Town Council and therefore do not wish to repeat what has already been stated. I do however fully support the comments made by those residents and the Town Council.</p> <p>The two developments shown in the TVBC Local plan to the East and South East of Ludgershall may fall within the Parish of Kimpton but clearly will initially depend on Ludgershall for services. Investment will need to be made on Highway infrastructure, GP Surgery, Dental, Chemists, Schools and education, shops, youth and leisure facilities, everything that goes towards making a successful community.</p> <p>There needs to be close working relationship, not only between TVBC and Wiltshire Council, but with Ludgershall TC to ensure the best outcome for the community.</p> <p>If this plan goes forward, there will just one opportunity to make this a fantastic place to live, let's not waste it and let it just become another dormitory town.</p>

For specific comments, please make it clear which paragraph, policy or matter your comments relate to where possible. Please use the box below.

If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.
