

**LEGEND**

**Boundary**

-  Site boundary  
Planning application
-  Existing Highway boundary

**Level**

-  Existing level  
To be retained
-  Proposed level
-  Proposed contour line

**Paving**

-  Pavement
-  Concrete paving blocks
-  Cycleway
-  Park path  
With metal edge
-  Play safety surface  
At playground
-  Natural stone paving  
Central and entrance squares
-  GRP grating deck  
On top of galvanised structure
-  Tactile paving  
To crossings and cycleway

**Kerb**

-  Road kerb
-  Metal edge  
Flushed with paving

**Furniture**

-  Timber bench  
Stand alone bench
-  Wall top timber seating  
On top concrete wall
-  Concrete wall
-  Water feature  
Concrete rill
-  Metal wall  
Corten vertical element (support for bench and play equipment)
-  Balustrade  
Along the elevated walkway
-  Pavilion  
Timber structure and seamed roof
-  Sheffield cycle stands  
Around the park entrances
-  Lighting column  
Potential locations for lighting columns within the main squares
-  Lighting bollard  
Potential locations for bollards along the path

**Furniture (potential location)**

-  Fencing  
Safety line along the River  
Potential location
-  Play equipments  
With fall zone  
Potential play elements and their locations
-  Bins  
Potential locations

**Tree (potential location)**

-  Existing tree  
Surveyed by arboriculture  
To be retained
-  Existing tree  
Removed trees and groups  
Cleaned and pruned when necessary
-  Existing tree  
Extracted from survey  
Outside the boundary line
-  Proposed tree 1  
Trees in the woodland area
-  Proposed tree 2  
Trees in the grasslands
-  Proposed tree 3  
Trees on the marginal area of River Anton

**Planting**

-  Existing mowed lawn retained  
Vegetation to be retained and managed to enhance ecological value
-  Existing woodland planting retained  
Vegetation to be retained and managed to enhance ecological value
-  Proposed planting - Protective holt  
Shrub & groundcover planting
-  Proposed planting - Active glade  
Grass meadow  
Mown for potential activities
-  Proposed planting - Marginal area  
Mixed scrub planting  
Transitional habitats around the River Anton
-  Proposed planting - Ecological field  
Wildflower meadow
-  Proposed planting - Road verge  
Standard grass seed  
Along the highways, mown for visibility
-  Proposed planting - Planted access  
Reinforce lawn  
For maintenance access
