

Test Valley Health Walks

North
Test Valley

Why walk?

If you find it difficult to get active, why not start walking?

It is easy to get started and counts towards your recommended amount of physical activity, and it's free!

Benefits include:

- Opportunities to socialise, meet new people and explore new places
- Maintaining a healthy weight
- Preventing or managing various conditions including heart disease and high blood pressure
- Strengthening your bones and muscles
- Improving your confidence
- Improving your balance and co-ordination

For more information about Health Walks visit the Cycling and Walking page in the Community and Leisure section of our website www.testvalley.gov.uk, call **01264 368000** or email Healthwalks@testvalley.gov.uk

Interested in becoming a Walk Leader?

Test Valley Health Walks would not exist without our fantastic volunteer walk leaders.

As a volunteer walk leader, you will be helping people in your community to get active and healthy, providing vital support that they might not otherwise get.

Full training will be provided and you will receive on-going support from Test Valley's scheme co-ordinator. Duties include welcoming new and existing walkers to each walk, taking an attendance register, assisting new walkers to complete a health questionnaire and leading a safe, fun and enjoyable walk.

The Health Walks are free, a great way to get active and provide opportunities to explore what's on your doorstep in the company of others.

Each walk is led by qualified volunteer walk leaders with some offering a fast, moderate and gentler paced walk. They last around 60 minutes with the distance being between 2-3 miles. Most walks end with a chance to stay for a drink and chat. Shorter walks can be accommodated.

See reverse for more details.
