Dear Peter,

Application to designate the King's Somborne Neighbourhood Area

I am writing to confirm that the Council has approved King's Somborne Parish Council's application of the 14th September 2015 for the King's Somborne Neighbourhood Area comprising the administrative boundaries of King's Somborne parish.

This follows public consultation which took place between Friday 9th October and Friday 6th November 2015. Those representations received are enclosed.

In accordance with The Neighbourhood Planning (General) Regulations 2012 the Council will publish its decision on its web site together with a map identifying the area and the name of the relevant bodies who applied for the designation.

Yours sincerely

Andrew Ferrier
Corporate Director
Test Valley Borough Council
