

Awbridge Neighbourhood Plan Information Statement

A Referendum relating to the adoption of the Awbridge Neighbourhood Plan will be held on **12th November 2026**.

A Neighbourhood Development Plan contains policies for the use of land in a designated neighbourhood area. In 2018 Awbridge Parish Council decided to produce a Neighbourhood Plan and public consultation has taken place on the draft Neighbourhood Plan. The Awbridge Neighbourhood Plan has been prepared for the designated Awbridge Neighbourhood Area, shown below and on the Council's website at: [Awbridge Neighbourhood Plan | Test Valley Borough Council](#)

There is a statutory process which must be followed for the making of a Neighbourhood Plan. The process involves the holding of a Referendum. The question, which is specified in the Regulations, which will be asked for the Referendum is:

'Do you want Test Valley Borough Council to use the Neighbourhood Development Plan for Awbridge to help it decide planning applications in the designated neighbourhood area?'

If more than half of those voting in the referendum vote 'Yes' in response to the question above, then the Neighbourhood Plan must be 'made' (adopted) by Test Valley Borough Council and the Neighbourhood Plan will be part of the Development Plan. This means that the Plan will be used in the determination of planning applications for the designated area of Awbridge Parish.

The Referendum area is identical to the area which has been designated as the Amport Neighbourhood Plan area and is shown on the map below.

A person is entitled to vote in the Referendum if on 12 November 2026:

- He or she is entitled to vote in an election of any Councillor of Test Valley Borough Council whose area is in the Referendum area; and
- His or her qualifying address for the election is in the Referendum area. A person's qualifying address is, in relation to a person registered in the register of electors, the address in respect of which he or she is entitled to be so registered.

The referendum expenses limit which will apply in relation to the referendum is £2891.82. This has been calculated by adding 5.9p for each of the 898 local government electors for the referendum area, at the date of publication of the notice of referendum, to the base amount of £2,362.

The Referendum will be conducted in accordance with procedures which are similar to those used at local government elections.

In accordance with the regulations the specified documents must be accessible online for the Referendum. The planning authority has also made the documents available for public viewing during the premises normal opening times and may be inspected at:
