Dear Lorraine,

Application to designate the Wellow Neighbourhood Area

I am writing to confirm that the Council has approved Wellow Parish Council's application of the 17th March 2016 for the Wellow Neighbourhood Area comprising the administrative boundaries of Wellow parish.

This follows public consultation which took place between Friday 20th May and Friday 18th June 2016. Those representations received are enclosed.

In accordance with The Neighbourhood Planning (General) Regulations 2012 the Council will publish its decision on its web site together with a map identifying the area and the name of the relevant bodies who applied for the designation.

Yours sincerely

Andrew Ferrier
Corporate Director
Test Valley Borough Council
