Picket Twenty Community Centre

The Picket Twenty Community Centre is managed by the Picket Twenty Community Association (PTCA). The PTCA formed in April 2014, when it officially became a fully registered charitable organisation (Registered Charity Number: 1157516). In September 2014 the PTCA moved into the brand new Community Centre.

The PTCA exists to serve the community and provide activities and opportunities for the residents of Picket Twenty. The Community Association consists of a team of Trustees, mainly Picket Twenty residents, who fulfil different roles within the organisation, but who work together to establish what the needs of the community are and how best to fulfil them. The team is always very keen to hear your ideas and always welcome new volunteers.
