

# Need help to access work, or improve your employment prospects?

We provide a free employment and training service for all customers.

- Perhaps you'd like to try volunteering?
- You may have a member of your family that needs help finding an apprenticeship or training?
- Do you need help finding employment after long-term unemployment?
- Would you benefit from a period of work experience to help improve your confidence?
- Are you struggling to move from a zero-hour contract to working full time?

**Whatever your aspirations, we'll assist you in achieving your goals.**
