Followed by free confidential business clinic with EM3 Growth Hub

As part of 'Helping Local Business Grow' initiative, we've teamed up with the Enterprise M3 Growth Hub to provide a day of free 1-1 Business Growth Clinics to businesses in the northern half of Test Valley

These confidential clinics are designed for established companies looking to grow their business in areas including exploration of new markets, increasing their workforce and developing innovation. The bespoke meetings provide access to a business mentor with detailed knowledge and experience of working with high growth businesses

To check you are eligible and book your space go to www.enterprisem3growthhub.co.uk/events/event/255
